00:00:03	PS	Its been a while Dayo. I'm sorry I was not available last week as I had urgent engagements out of town.
00:00:15	DO	It's okay Sir, I have been able to make progress on chapters three and four of my project and also included some graphical illustrations.
	PS	That's great. I went through the drafts you sent to me and I have some observations….
00:00:36	DO	[Interjects] Oh…really? I only just sent them a few hours ago
00:0042	PS	Yes but most of your work is too descriptive with minimal analysis. This is not too impressive.
00:01:10	DO	Hmmph...perhaps I could change that?
00:01:32	PS	Yes, you have to. You might want to assess practical situations of how anti-competitive actions by corporations have negatively impacted related markets and the procedures that have been put in place to curb this.
00:01:40	DO	Would you have any examples could be of guidance?
00:02:01	PS	That would be overreaching my obligations as your project supervisor. I'm sure you can do some intense research. You might want to look into tying and bundling. Also, most of your referencing isn't in OSCOLA format. You know how important this is.

00:03:21	DO	Yes, I would have the referencing corrected and also look into all you have said.
00:03:36	PS	Do you have any question?
00:03:52	DO	Can't think of any at the moment.
00:04:08	PS	Well…that was brief. I guess we're done here. Keep me updated, will you?
00:04:30	DO	Thanks a lot Suresh. I sure will
