MJ - Mr. John

MT - Mrs. Tope

MJ It's been a while Tope. I was beginning to think you won't come

MT I needed some time to make up my mind.

MJ How have you been?

MT I have been fine. Just staying with my friends so I'm okay.

MJ And...have you decided whether you want to go ahead with this?

MT Yes...I think we should proceed against him. There's no point in wasting time.

MJ Okay. I don't know who you've spoken to but firstly, I need you to know that we are going to have to see if you and your husband can settle this issue amicably. He is still your husband until you have been legally separated. Is that okay?

MT He slept with someone else and lied to me about it. There is nothing else to settle amicably. I want out.

MJ I understand...but we have to follow due process. After that, I can proceed to draft and file a divorce petition. First, you will have to sign our letter of engagement and then we can proceed. Please go through the contents carefully before you sign it.
